Neighborhood Lakes Scenic Trail

Florida

Part of the developing Wekiva Trail System, the Neighborhood Lakes Scenic Trail will help provide an essential link between Lake

mobility aids. However, please be aware there are some mild inclines. The elevation grade along the route can be viewed on the [TrailLink map](#).

The Neighborhood Lakes Trailhead (26656 County Rd 46A, Sorrento) has restrooms, drinking fountains, and a picnic pavilion. It also serves as a trailhead for the [Wekiva Trail](#) in Lake County, which becomes the Seminole-Wekiva Trail in Orange County.

As its name implies, the trail connects neighborhoods and communities—providing new opportunities for both recreation and commuting. There are a few restaurants near the trail and plenty of beautiful spots for a picnic.

Part of the developing Wekiva Trail System, the Neighborhood Lakes Scenic Trail will help provide an essential link between Lake and Orange Counties. From its northern endpoint in Sorrento, the multiuse paved trail runs east along SR 46A before curving south to parallel SR 429. Crossing the Lake County/Orange County line, the trail ends at Mount Plymouth Road in Apopka and meets a segment of the [West Orange Trail](#). The route continues as the West Orange Trail for half a mile to the Neighborhood Lakes West Trailhead (6570 Mt Plymouth Rd).

Running through Rock Springs Run, the scenic trail passes small lakes, woods, and grasslands. Rock Springs Run/Kelly Park is a 375-acre park that offers a wide range of recreational activities and waterfront access. The paved trail is 14-feet-wide and is likely accessible for those using
