*Closure Notice: The suspension bridge over First Broad River is temporarily closed due to flooding. Please check with local news*

Closure Notice: The suspension bridge over First Broad River is temporarily closed due to flooding. Please check with local news authorities before heading out on the trail.

Shelby's rail-trail winds through the western edge of the city between West Grover Street and Dixon Boulevard. Following the former right-of-way of Norfolk Southern Railroad, the unpaved pathway offers a wooded experience through nature. A highlight of the route is its suspension bridge over the First Broad River.

The trail is part of a larger network called the Carolina Thread Trail, which spans 15 counties in North and South Carolina.

# Shelby Rail-Trail

*North Carolina*

**States:** North Carolina

**Counties:** Cleveland

Length: 1.5miles

**Trail end points:** West Grover Street to 1818 E.  
Dixon Blvd.

**Trail surfaces:** Dirt
