The Lester Rail Trail in Ohio's Medina County runs 3 miles between Abbeyville Road and Lester Road in York Township. The trail passes through bucolic farmland with scattered remnants of prairie, where native grasses still grow, and wetlands. Look for wildlife and wildflowers, including the rare cardinal flower in the wet areas along the trail. Although the path is mostly level, it rises slightly from Abbeyville Road to Lester Road.

A highlight of the route is a miniature railroad which lies adjacent to the trail on county parkland. A club called Northeast Ohio Live Steamers offers seasonal train rides for the public along the diminutive track.
