Wild Rivers State Trail

Wisconsin

Overview Following along an old railroad route in northwest Wisconsin, the Wild Rivers State Trail runs for just over 90 miles

and crisscrossed by babbling brooks and majestic rivers, including the Namakagon, a federally designated river that is part of the St. Croix National Scenic Riverway. From its northern end in Superior, the trail passes through Solon Springs, Gordon, Minong, Trego, Spooner, and Haugen.

Connections

In Spooner, the trail connects with the [Shell Lake Trail](#).

In Tuscobia, the trail connects with the [Tuscobia State Trail](#).

Overview

Following along an old railroad route in northwest Wisconsin, the Wild Rivers State Trail runs for just over 90 miles through Barron, Washburn, and Douglas counties between the cities of Rice Lake and Superior. The surface is compacted gravel in Barron and Washburn counties and rough ballast in Douglas County, allowing for hiking, mountain biking, and horseback riding. ATVs and snowmobiles also use the trail; in winter the trail is open for snowshoeing and cross-country skiing.

About the Route

The trail runs through a remote part of northern Wisconsin, rich in wildlife, graced with spectacular lakes
