The Alamo Creek Bikeway is a shaded path along Alamo Creek in Vacaville. The trail connects residents with several parks, including Nelson Park, Patwin Park and Beelard Park. The trail is not just popular with people: various forms of wildlife, including beavers, have been spotted along the trail and adjacent creek.

The trail intersects the [Southside Bikeway](#) (a rail-trail) near Eugene Padan Elementary School, providing access to Al Patch Park to the south and downtown Vacaville to the north.
