The Lanana Creek Trail is approximately 3.5 miles long from E. Austin Street into the youth soccer complex just south of Main Street. The trail is an ongoing project of the Sesquicentennial Celebration of 1986. The trail and Stephan F. Austin State University Arboretum are the result of a cadre of volunteers and enthusiasts that want to make Nacogdoches a better place to live.

Some of the trail at both ends is handicap accessible with the northern end winding through beautiful university gardens. The southern end promotes an exercise loop running through youth soccer and youth softball complexes. The trail winds through the campus of SFA, Pecan Park, and beautiful shady areas next to Lanana Creek. It borders a historical cemetery, Oak Grove, and makes a loop through youth athletic fields.
