This is a paved multipurpose trail connecting two cities in central Florida. The pathway stretches 3 miles from W Main St. in Tavares, parallel to US-441 S, and terminates just after Kinne Pearce Rd. in Leesburg, linking neighborhoods with commercial areas along the highway. The ViaPort Mall is close by, opposite the highway. There are a couple of at-grade road crossings so walkers, cyclists and other users are reminded to proceed with caution.

There are plans to extend the trail west further into Leesburg.
